## The Lockdown - FFIOW Response

Since the start of Spring life has changed for all of us and everyone at FFIOW hopes that you and your families are keeping well and staying safe. We also hope you are all finding new skills and areas of creativity at home as a result.

We want to say a huge **THANK YOU** to **all front line workers** from food deliverers, lorry drivers, shop owners and assistants, refuse collectors, postal workers to mention but a few, and of course care home, emergency and NHS staff. **Everyone** who is helping to keep all basic necessities available for us and those of you who are volunteering in whatever way to help others including those who are producing essential personal protection equipment at home for local care homes.

### ONLINE PRESENTATIONS

The peace of outdoor silence, the increased birdsong and the empty open spaces has increased our determination that our beautiful island must be protected.

**The lockdown has given us a reprieve from the validation and submission to the planning committee, of UKOG's planning application for Arreton Main, now delayed until the crisis is over.** It has given us time to complete three online presentations and we want you to support us in our efforts to reach **as many people as possible** by sharing the link below to family and friends on and off the island as soon as you can.

<https://www.frackfreeisleofwight.org/presentations>

**We are also sharing them with every member of the IOW council and planning officers.**

**#1** Is a general update and for people who have not yet heard the news.

**#2** Gives updated detail about the technical aspects, impacts & opposition statements to UKOG's Community Brochure.

**#3** Is a snapshot of UKOG as a company, and our view of the economics, benefits, viability and sustainability of their plans for Arreton.

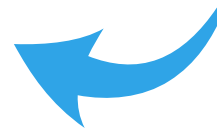

# UKOG SHARES down to 0.275p as of 21st April AS OIL PRICES FALL.

## Get Creative!

While you are at home why not get members of your family to have a go at creating a bold Tshirt design or slogan for our competition and send it to us during May? They could find their design appearing on a free winning TShirt!

Click on the poster to find out how to submit a design
